

Barnier is Now Using Skoolbag!!

Dear Parents and Caregivers,

Our school, with the support of our P&C, have invested in our very own app – powered by Skoolbag. This app allows parents to quickly and easily view the school website, calendar, newsletter and notes as well as receiving instant notifications about events within the school and any changes to routine. The app also allows parents to change their contact details (phone number, address, etc) and sign absence notes digitally.

We are very excited to launch this app, however, we are fully aware that like anything new there could be a few teething problems. We would love to take on board any feedback that will continue to strengthen our communication with parents and the wider community. Could all feedback please be provided in an email to kelly.housbey@det.nsw.edu.au

The Barnier Skoolbag app is available to download on iPhone and android phones. Please read the installation instructions for further details.

Skoolbag

Smartphone school to parent communication

Skoolbag is a mobile App for your school to communicate directly to both parents and students. It works through both smart phones and smart devices (such as iPads and Android Tablets). Ideal for:

- > School, free push notification alerts
- > School events
- > School newsletters
- > School documents
- > School RSS feeds
- > School social media (Facebook, Twitter)

Skoolbag delivers school notices directly to parents and students
