

# QHHS 2020 ORIENTATION EVENT

Year 7 orientation at QHHS will be a little different this year. To keep everyone as safe as possible, we will be assigning each of our partner schools a specific date and time to access the uniform shop, purchase book packs and make payments to our office. We ask that families adhere to these times, respect social distancing and remain on the school's grounds no longer than necessary.

A video from the principal and year advisers will soon be available on the school website and Facebook, welcoming new families to the school. This will provide families with valuable information to prepare for 2021. Information packs will be distributed to our partner schools in Week 6 – you can also collect a copy from the office during your assigned afternoon session. We appreciate your patience and understanding.
