Message from The Principal

World Teacher's Day is celebrated in schools on the last Friday in October which is this Friday, 25th October. It is a time when we acknowledge the hard work and commitment of our teachers. I would like to acknowledge and sincerely thank our wonderful Barnier teachers for the absolutely outstanding job they do for our students every single day! They go over and above on a daily/hourly basis and make the education and wellbeing of our children their highest priority. Please take the time to let your child's teacher know just how much you appreciate what they do for your child. You could give them a card, send them an email or thank them personally. When this happens, it means so much. This can happen at any time throughout the school year, not just on World Teacher's Day. Our P&C will be providing a special lunch for us on Friday. Sincere thanks, in advance, to our P&C for their thoughtful and kind gesture of appreciation.

Enjoy Week 2!
Mandy Hollis
Principal
