## Message from The Principal

### School Attendance Matters

Every day our teachers provide the very best learning opportunities possible for every single student in our school. **If students are absent for any reason, they miss learning opportunities.** Of course we understand that there are times when students cannot attend school and this cannot be helped. **Unless your child is sick, injured or infectious, it is very important that they attend school every day, on time to make the very most of these learning opportunities.** We want every student at Barnier to attend school **at least** 90% of the time. We want every student at Barnier Public School to reach their full potential as learners. This cannot happen if they are not at school. Please ensure that your child attends school every day and on time.

Warm regards,  
Mr Vincent  
Rel. Principal
