Message from The Principal

We have Zero Tolerance of Bullying at Barnier Public School

Bullying is a repeated aggressive behaviour that can take many forms, including physical, verbal, social, and cyberbullying. The key sign is that it is a repeated and ongoing behaviour.

Students are strongly encouraged to report any incidents of bullying to a member of staff immediately. Such reports will be taken very seriously. Staff will take a strong, proactive, positive and problem-solving approach to these incidents.

Parents can make a difference

Please report any incidents of bullying immediately to a member of staff so that bullying can be dealt with in a timely and effective manner.

Barnier Public School has a detailed and comprehensive Anti-Bullying Policy. We strive to create a school culture that promotes caring for others, positivity and wellbeing as well as high expectations for behaviour and conduct.

Reporting bullying does help to stop it occurring and enables us to deal effectively with such incidents when they occur.

A recent study into this issue in schools found that the most powerful action someone witnessing bullying in the school setting can do is simply go and stand next to the person being bullied and show their support. This gesture is an extremely powerful one and sends a strong message to everyone that bullying is not acceptable or tolerated and that people being bullied will be protected and cared for.

Please speak to your child about this. We thank all members of the Barnier Public School community for your support and cooperation ensuring that Barnier Public School is a safe and happy school for everyone!

Warm regards
Mr Vincent
Rel. Principal.
