Felix the frog's name begins with the sound / f /. The first step in learning to read is hearing the sound. Talk to your child about Felix the frog. Talking and reading with your child are very special times. Read a story to your child every day. Encourage your child to be aware of the letters on the page. Point to the letter f, and ask, 'What sound does it say?' Do this two or three times, with the letters m, s and f. Make it short and fun.

Trace it then write it
