

Stage 1 Science Incursion

February 2021

Dear Parents and Carers,

This semester, as a part of our Science unit – Material World students will develop an understanding of the properties of materials and their uses. To further explore the properties of materials, we have organised an incursion for Stage 1 students with Mad About Science.

During the incursion, students will watch a demonstration by a presenter from Mad About Science and participate in hands-on experiences to combine, manipulate and change materials in the school hall. Your child will attend a 60 minute session with their class on one of the following dates: 11th March, 18th March or the 25th March, 2021.

The cost of the incursion will be \$12.00 per child.

The last day for payment of this event will be Friday 5th March (Online payments close 6 pm Wednesday 3rd March). We cannot accept payments after this date.

Thank you for your continued support

Melissa Vasram
Rel. Stage 1 Assistant Principal
