

# COLOUR EXPLOSION

Your P&C are excited to announce that we will be holding a **FREE** colour run on **Wednesday the 23<sup>rd</sup> of October** on Barnier’s oval. *Parents are able to donate \$5 towards \$5,000 of new home-readers for Barnier Public School students if they wish. All donations will be very greatly appreciated.*

Students will be split into groups and participate in different colourful activities before tackling a giant inflatable obstacle course, running the track with other small obstacles and finishing with a ‘colour explosion’.

The colour powder consists of cornflour and food dyes. You can find a copy of the safety data sheet on the Barnier Public School P&C Facebook page. Students may bring a white shirt (or purchase our Souvenir shirt) for optimal colour exposure and goggles/sunglasses to protect their eyes. There will be an exit point for students that wish to participate in the obstacle course without the colour explosion finale.

**Time:**

K-2 will run from 9:15am to 10:40am.  
3-6 will run from 11:10am to 12:35pm.

**Souvenir Shirts - \$15 each**

The P&C have designed a souvenir shirt as an optional extra, you can preview the design and size chart on the “Barnier Public School P&C” Facebook page.
