

GET READY FOR THE BEST SCHOOL DAY EVER!

Hi Barnier families,

We've got some exciting news to share – the P&C is holding a School Colour Fun Run! This year, we've got our eyes set on some important fundraising goals and we're reaching out to all our amazing families to join forces and make this a success. All it takes is 1. creating an online profile and 2. sharing your link with family and friends.

Please mark your calendars - we will be holding our Colour Fun Run at school on **Wednesday 9th April**. The day will incorporate a range of fun activity stations, an obstacle course and of course an explosion of colour. Grab your child a cheap white shirt next time you are at the shops in preparation for the big day.

What is the School Fun Run?

It is an online fundraising program, where all students go home and create their own online profile. You get to pick your target prizes and work your way towards that goal. And here's the cool part – your profile comes with a unique cyber-safe link to share with your nearest and dearest, encouraging them to contribute towards reaching your target.

What do we need you to do?

All we need you to do this week is create an online profile at funrun.com.au. The classes with the most profiles by Sunday 2nd March will be announced at the whole school assembly on Monday and will all get an icy pole! There will be a wining class from each Stage! There will also be pizza parties held after the Colour Fun Run for the classes that raise the most money.

Teacher involvement

Our wonderful Barnier teachers have agreed to get behind this amazing fundraising opportunity. For every \$5000 that is raised one teacher will get slimed at special slime school assemblies. The more money we raise the more teachers we can slime!

Every student is invited to participate on the day regardless of how much money they raise. This is an inclusive fundraiser we would love you to be apart of! If you would like to come down and watch your kids run, we would love to see you there!

Thank you all in advance,

Barnier Public School P&C
